Dear Youth Servant Leader Volunteer,

Greetings from Camp Omega! Thank you for registering for the Youth Servant Leader Training and your desire to serve during the 2008 summer. Youth Servant Leaders have an intricate role in the ministry that happens at Camp Omega. I look forward to seeing how the Lord may use you in His ministry through this place.

Please find and review the What To Bring, Volunteer Position Description, and Program Description forms found at www.campomega.org/youth-servant-leader-program. These items will help you as you prepare for your time of service. Also find, complete, and return the following documents to the Camp Omega office. These items must be completed and on file at camp prior to your time of service.

- Application
- Pastoral Reference Form
- Dates to Serve
- Health History

Please note that volunteers will not be considered for a week of summer service until the applicant has registered for one of the Youth Servant Leader weekend training events.

If you have any questions, please contact me at mark@campomega.org or by calling the camp office at (507) 685-4266.

With the Lord's Peace,

Mark Mueller
YSL Coordinator
