PROGRAM DESCRIPTION

Youth Servant Leader

Philosophies of the Program

The Youth Servant Leader Program (YSL Program) is part of Camp Omega's ministry to high school aged youth and older. The program's goal is to prepare YSLs to be leaders in specific areas of a camp setting as well as in the broad area of the communities in which they live. YSLs are trained by Camp Omega Program staff as well as by experienced counselors. YSLs will also receive mentorship from counselors that they are placed with if the YSL is able to be part of a week-long camp experience. The week will consist of interaction with and assisting in a cabin group, daily Bible study, service projects, and possible opportunities to lead devotions and games.
