

KNOWN

Verse of the Day - Psalm 139:1 “O LORD, you have searched me and known me!

Take Away - God made you, knows you, and loves you. He knew all your sin, but still came and died to redeem you and make you a child of God.

God knows everything there is to know about you. Just like God notices us, we can notice others and his creation around us. Today’s craft is going to help us notice the little things, the big things, and everything around us that God has provided.

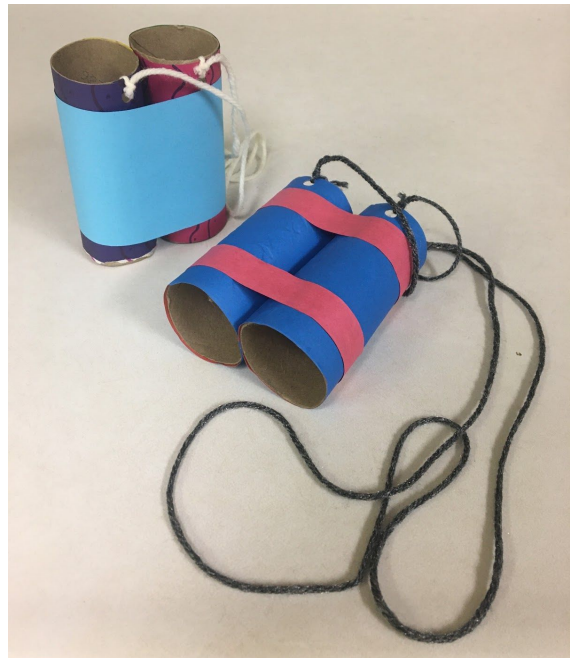

Project One: Cardboard Tube Binoculars

Materials:

- Cardboard Rolls
- Tape or Glue
- Hole Punch
- String
- Markers
- Construction Paper

Create!

1. Take two cardboard rolls, toilet paper or a paper towel roll cut in half works perfectly, and cover them in construction paper using tape and glue.
2. Decorate each tube with markers, stickers, or anything you can find.
3. Glue the two tubes together.
4. Cut one or two strips of paper to wrap around both of the tubes to keep together (see picture).
5. Punch two holes in the cardboard tubes and tie string so they can be worn around your neck.
6. Search and Explore!

God knows everything about us because he created us! Just like us, God also created the entire Earth and he sent his son down to Earth to die for the forgiveness of our sins. Today's craft is going to help you spend some time exploring God's great creations!

Project Two: Nature Tree

Materials:

- Brown paper
- Construction paper
- Glue
- Nature pieces (flowers, sticks, leaves, etc.)

Create!

1. Take your brown paper and draw a tree trunk, any way you would like.
2. Cut out your tree trunk and glue it on to another sheet of paper.
3. Go outside! Explore God's creation, find flowers, leaves, grass, or anything else you can find. Be sure to only take from what is on the ground, protect God's creation!
4. Glue what you found onto your tree as if they were leaves!
