

Camp Schedule Explained

This is what the schedule the staff gets every week looks like. Let's highlight some parts!

YSL Game/ Guide Growth: Campers play a large game facilitated by high school volunteers and supervised by staff. The rest of the staff meet to talk about the business of the day and participate in a devotion.

Christian Growth: This is a time to study God's word with interactive and active learning. Each lesson included activities, digging into God's word, and application to daily life.

Christian Growth Opening: At this time the theme for the day is introduced. Campers sing, see a skit acted out, and learn the verse of the day.

Cabin Group Times: This is what makes up most of the day at camp. Campers get to participate in various activities on camp.

FOB (Flat on Bunk): A short quiet time for campers to rest, have quiet time, write letters, and reply to bunk notes.

Swimming: Camp is divided into two swim times based off age and programs

Camper Choice and Structured Rec.: Campers get to participate in games and activities they chose.

Large Group Game: All campers on camp join in one large game!

Canteen: A time for snacks, conversation, and fellowship!

Camp fire: Campers come together and sing, praise, and hear a message about Jesus' lover for them

First and Last Word: A time to reflect on God's word at the start and end of the day.

Life of Christ (LOC): An age-appropriate dramatic reenactment of the events of Christ's life, death, and resurrection. Campers get to end the event nailing a nail on a cross and hearing that their sins have been forgiven.

Missionary: A simulation where campers get to practice witnessing their faith. Staff pretend to be individuals without faith or have fallen away. Campers practice sharing their faith with the staff members.
